iSPY TRAIL
 A free family walking trail around York

I spy with my little eye...
 a clock, a cat and a flag

Welcome to the Little Vikings York I Spy Trail. It's the best way to explore York on foot with kids, and here's how it works:

- ★ Follow the route on the map and try to spot each of the things in the pictures.
- ★ The colour behind each picture matches the street colour shown on the map, so you know where to look. The numbers indicate the general area of the item and not the exact location so keep your eyes peeled!
- ★ Some streets have more than one thing to spot, so look up, look down and look behind you!
- ★ Tick each thing off as you go until you get to the end of the route.
