## Useful information before you start your application

Before you start your application:

1. Read and accept the **Applicant Terms and Conditions** when prompted.
2. Make sure that you are eligible for the category you are considering applying for. Read the **eligibility criteria** carefully, if you are deemed ineligible you may be moved to another category where you would be eligible, or your application may be discounted altogether. If you are not sure whether you are eligible, check with the competition organiser before completing your application.
3. To avoid duplication in your responses, read all the **questions** before you start. For most categories each question covers a different aspect of your business, e.g.
  - a. Question 1 – **Top Qualities**  
e.g. unique selling points, strengths and the essence of the business
  - b. Question 2 – **Recent Improvements**  
e.g. business developments and improvements over the last two years
  - c. Question 3 – **Results**  
e.g. recent successes from across the business – providing figures where relevant
  - d. Question 4 – **Future Plans**  
e.g. plans to develop and promote the business over the next year
4. Read the **guidance information** starting 'judges will be looking for . . .' for suggestions on what to include in your answers.
5. By setting up an **account** you can save your work and come back to it later – you don't have to start and submit your application in one sitting.
6. Take your time but be mindful of the **closing date** for applications.
7. Be aware of the **word limits**, they are exact.
8. **Proof your entry** before submitting.

**Good luck!**

## Eligibility criteria

- Directly involved in tourism, making a contribution to the visitor economy with a significant proportion of business generated by people visiting from outside the local area.
- The application must relate to one named experience or experience type only - e.g. mountain biking experiences, gin masterclasses
- For businesses that offer multiple experiences, you are invited to submit an application that relate to only one experience, or experience type (ideally your 'hero' or most popular experience or experience type).  
(Any award must then be associated with this one experience or experience type).
- Any visitor experience that requires participation in an activity
- The experience may involve a host/teacher/instructor/guide or may be undertaken independently
- Likely to be immersive and interactive
- Typically experiences will be learning, adventure or relaxation based
- Likely to fall under one of these themes:
  - Wellness and well-being (e.g. spa)
  - Sporting and active (e.g. caving)
  - Environment (e.g. beach cleaning, dry stone walling)
  - Arts & culture (e.g. guided tours, pottery making)
  - Culinary (e.g. cookery courses)
- Food service experiences are not eligible for this category and should consider the Taste of England Award category, which assesses the quality of food and drink served to the visitor.
- An experience located at a visitor attraction may only apply to this category if it can be booked separately from the main attraction and can be accessed without the need to pay for or visit the main attraction e.g. the Bombay Sapphire Distillery is eligible to apply for the Large Visitor Attraction of the Year category, which includes its 'Discovery Experience' as part of the standard admission ticket (therefore it would not be eligible for this category), but they could enter their 'Gin Cocktail Masterclass' within the Experience of the Year category as this is a separate experience not available to all visitors.
- For another example, an outdoor activity centre (like Go Ape) providing a selection of separately booked high ropes experiences can enter their 'hero' or most popular experience (Treetop Challenge) as one application.
- A boat tour business (like Serenity Farne Island Boat Tours) providing a selection of separately booked boat tours can enter their 'hero' or most popular experience (Holy Island Trip) as one application.
- The experience must be open to the public/ non-residents – i.e. participation is not restricted to residents, unless residency/ over-night accommodation is part of the itinerary for the named experience
- Businesses that serve food must have a minimum food hygiene rating of three out of five. The competition organisers reserve the right to refuse an application if this

minimum requirement is not met at any point prior to the awards ceremony. An exception is made for new businesses who have not yet been graded.

- The named experience must be taking place during the published judging dates and must occur on a regular and ongoing basis. One-off or short-term experiences are classed as events and festival, and as such, are not eligible to apply to this category
- Businesses of all sizes can apply as this category is judged within the context and style of the business.
- Businesses that have been trading for at least three months and up to two years when applications open, are strongly recommended to apply to the New Tourism Business of the Year category before considering applying to any other categories
  - For the purpose of eligibility for this competition, 'trading' means serving customers. If the business has not been trading this long, then they will need to wait to apply to the competition in 2026/27
