Be Part of Haunted York 2026

Join one of Visit York's most atmospheric and best loved campaigns and position your business within the playful world of Haunted York: The Intervention. This citywide autumn campaign is built around a simple idea: York is now so famously haunted that Visit York has had to intervene, offering light hearted guidance to help visitors enjoy the fun, find their way and know exactly what to do if they get a little spooked.

Rather than banishing ghosts, The Intervention celebrates them. It uses humour and storytelling to point people towards the best ways to "recover" from a fright, from cosy cafes and autumn treats to relaxing pubs, seasonal menus and welcoming attractions. Every business can join in with this shared narrative, helping visitors explore more of the city and enjoy York's unique blend of spooky character and warm seasonal comfort.

For 2026, the campaign delivers high impact video, targeted social media, digital advertising, influencer storytelling, PR and a refreshed Haunted York hub filled with playful Intervention themed moments. Running from mid August to early November, it captures the full autumn season and peak Halloween interest.

Partner with us to amplify your business, engage eager audiences and help make York the UK's most unforgettable autumn break.
