

YORK ICE TRAIL 2024

CITY OF DREAMS

Mythical Creatures: York BID

York BID is proud to sponsor York Ice Trail, and this year we're celebrating mythical creatures! Keep an eye out for the Himalayan Yeti; a creature known for its looming height and deadly claws. Brave the terrifying Kraken with its giant tentacles while venturing through the city. Meet the nine-headed Hydra, take selfies with the majestic Unicorn, and marvel at the immortal Phoenix.

York BID is committed to delivering services, initiatives and events which make York a great place to work, live, visit, study and do business.

The City of Dreams

Middletons Hotel, Skeldergate

Middletons Hotel's family-friendly Ice Trail showcase is back and better than ever, with the historic property set to unveil 'The Golden Ticket', a spectacular ice sculpture which provides a nod to the heritage of the hotel's Sir Joseph Terry Alms Cottages. Filled with Terry's Chocolate Oranges, visitors throughout the weekend will be invited to guess how many are featured within the ice sculpture, to be in with a chance of winning a golden ticket for a complimentary one-night B&B stay at the hotel. Over the weekend, the grounds of Middletons Hotel will be transformed into a city of dreams, including four interactive ice sculptures and plenty of photo opportunities to enjoy. York Chocolate Story, City Cruises, Face Paint York, The Potions Cauldron and Angels & Butterflies will all be on-site, with competitions, crafts and local delicacies to sample.
